Remarks

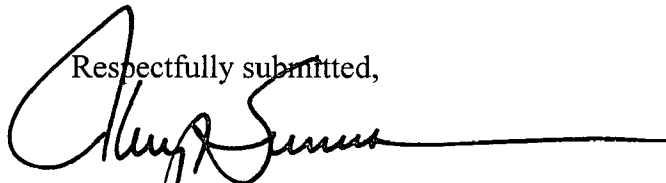

This is in response to the Official Action mailed January 13, 2006 (Paper No./Mail Date 01102006). Applicant notes with appreciation of the Examiner's careful review of the previous amendment. As set forth in the Office Action Summary, all of the claims are allowed other than 45 and 47-50.

In order to reduce and simplify the issues under consideration, claims 45 and 47-50 have been canceled.

Accordingly, all of the pending claims should now be in condition for immediate allowance.

The previously filed drawing corrections and amendments to the specification have been accepted. Therefore, Applicant submits that the application is in condition for immediate allowance, and the same is respectfully requested.

Respectfully submitted,

Philip Summa
